

SYAA Southampton
Youth Athletic
Association, Inc.
P.O. Box 191, Southampton, Massachusetts 01073

October 16, 2007

Once again it is time for our annual sponsorship drive. This will be our ninth annual fundraising drive seeking sponsors for the Southampton Youth Athletic Association (SYAA). In 2007 we had over 78 teams in the various sports and levels of play with approximately 1000 registrations.

SYAA is a recreational league available to any child living in Southampton or Westhampton, or attending Hampshire Regional High School as long as prevailing league rules allow. Our programs are available for children in kindergarten through grade nine depending up the sport. We presently offer basketball, soccer, softball, t-ball and baseball. The purpose of SYAA is to teach good sportsmanship, self-confidence, skills, teamwork and the importance of exercise. Children of all abilities are encouraged to play and learn. Financial assistance or waivers are available to any child unable to meet registration costs as long as age and residency requirements are met.

SYAA is a completely volunteer organization and is not financially supported by town funds. We ask for your support to keep our programs affordable. Our dollars are spent on uniforms, equipment, field upkeep, referees and program costs. Our sponsors' donations, registration fees, and monies from fundraisers allow us to run the positive programs our children deserve.

Our sponsors are recognized with their business name printed on the back of team shirts and in flyers. Your business will be listed on our web page (SYAA.org) with a link provided to your web site if available. Please consider sponsoring a SYAA team or number of teams by filling out the back of this letter and returning it to me.

Sincerely,

Tammy A. Walunas
Sponsorship Coordinator
